

YOU KNOW, I WAS FOR THE WIND BEFORE I WAS AGAINST IT. EVER SINCE I LEARNED THE GREENS ARE OUR ENEMIES I'VE PLEDGED ALLEGIANCE TO THE FIGHT FOR OIL, AND THE WAR ON ENVIRONMENTALISM

WELL, IT'S A BLESSING I'M NOT A GREEN DUCK

MY TV SAYS IN THE FUTURE CARS WILL RUN ON HYDROGEN AND IT'LL BE MADE FROM WATER USING OIL, COAL, AND NUCLEAR POWER!

DID YOU SAY WATER? IS IT BOTTLED?

I'M FEELING REALLY PARANOID AND DISTRUSTFUL

ME, TOO! I'M AFRAID TO LOOK IN THE MIRROR

HOLY SOLAR ZAPOTISTAS! THOSE DIRTY ECO-FREAKS ARE GATHERING IN GANGS OF TWO! COULD PARALYZE OUR FREEDOM! CAN'T WE WAGE WAR ON THE SUN?

A WAR ON THE SUN... NOW THAT'S NOT HALF BAD - AND THE WIND!

WE'LL NEED A DRAFT TO FIGHT THE WIND, AND SPACE WEAPONS OF COURSE. BUT WE CAN SELL IT AS AN OPPORTUNITY TO SECURE OIL, GAS AND COAL INDEPENDENCE. CORPORATE INDEPENDENCE, THAT IS, FROM REGULATIONS, TAXES AND ANNOYING GOVERNMENT OVERSIGHT!

TELL ME ABOUT THESE FEELINGS OF SELF LOATHING

MY WIND POWER DENIES PROFIT TO THE OIL INDUSTRY. IT MAKES ME FEEL SELFISH AND BAD
