Citizens of Petropolis the time has come to defend our way of war – rise against the greens amongst you. the neo-con klan is doing ALL it can to further its sociopathic business objectives, but your fear and hate are vital to satisfy our keen greediness

DIE TREE HUGGING SCU

Praise Oiler! We gotta mobil™-ize!

I ♥ COAL

We've clarified the style of these scientific reports. Now instead of a 'threat' they say global warming is a 'treat'!

The video game pre-training is working perfectly. Soon the children will be prepared for the final assault

We can do better than that! Pay some scientists to report that the earth is cooling and that burning fossil fuels will save us from imminent destruction.

Undead clean energy zombies fill my dreams with terrorism!
