

It says here we can move up to Canada and the temperature will be cooler. Plus they offer single payer universal health care

Global Hawk has located a gathering of suspicious, below average consumers with library books about climatology

What?! They dare to resist our freedoms? Deploy the nuclear option. We'll teach 'em the power of full spectrum information warfare. Unleash the black ops. Plant the fake news, and leverage the total information awareness data shadows

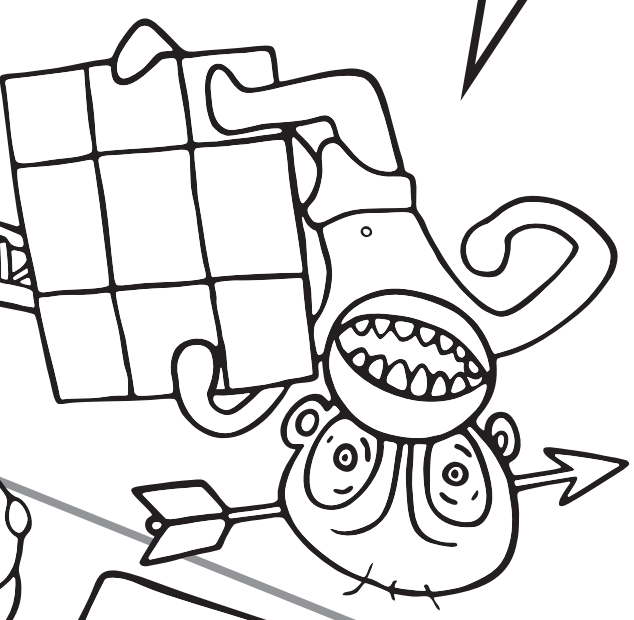

They're calling it the "green peril"

MAY 2008

S	M	TU	W	th	F	S
				1	2	3

Did you say "militants"?! We gotta go nuclear!

she's daisy the zombie flower, the menace of solar power. she threatens the dollar with free warless power, she's daisy the zombie flower!

It's being reported that rogue windmilitants are obstructing the roadside views of passing motorists on the great interstate highway system

TERROR ALERT BUY MORE DUCT TAPE!
